

CARBON™ RACK CABLE MANAGEMENT

CRA30001

Organize cable runs in and outside a rack enclosure or open frame rack

The CRA30001 vertical duct cable manager helps eliminate cable stress and organize cable runs within EIA-310 compliant rack enclosures or open frame racks. It has 2 sections, each 3 ft long, to allow for flexible installation options. This model features toolless keyhole button mounting hardware for quick and easy installation. The CRA30001 is covered by a 5-year limited warranty.

FEATURES

- Type: Vertical finger duct cable manager with snap on cover
- Parts: (2) 3 ft sections for 6 ft total length
- Installation: Tool-less keyhole button mounting
- Warranty: 5 Years
