

CSB600WS Essential Surge Protector

Offering vital surge protection for common home & office electronic devices.

The CyberPower Essential Series CSB600WS Surge Protector is ideal for Home/Office protection with 900 joules, 6 swivel style outlets, and wall tap plug. The CSB600WS is perfect for environments where power protection is needed for multiple outlets, but floor or desk space is at a premium. It works great for protecting your personal computers, wireless/VoIP routers, cable/DSL modems, tablet chargers and other personal electronics.

The CSB600WS features six (6) outlets (two banks of three outlets that swivel to help accommodate tight spaces), a wall tap plug for direct plug in, MOV technology to guard the surge protector and connected electronics against line abnormalities and lightning surges, while EMI/RFI filters block unwanted line noise.

A Limited Lifetime Warranty ensures that this surge protector has passed our highest quality standards in design, assembly, material or workmanship and further protection is offered by a \$75,000 Connected Equipment Guarantee.

Typical Applications

- Desktop Computers
- Routers & Modems
- Personal Electronics

Features

- 6 Surge Protected Outlets
- Compact with Swivel Outlets
- 900 Joules of Surge Protection
- Wall Tap Plug
- EMI/RFI Noise Filters
- Lifetime Warranty

CSB600WS Essential Surge Protector

Offering vital surge protection for common home & office electronic devices.
