

# CSP604T SURGE PROTECTOR

Protect home and office computers, electronics, and home theater equipment

The Professional Surge Protector CSP604T from CyberPower offers vital surge suppression for common home and office devices such as computers and electronics. It prevents spikes in energy caused by storms and electrical power surges and is ideal for safeguarding personal computers, phones/faxes/modems, and other consumer electronics. The CSP604T provides 1350 joules of protection and 6 surge-protected outlets. Data line protection occurs with RJ11 ports for telecommunication devices (phones, faxes, modems, and DSL lines).

Features of the CSP604T include automatic shutdown, data line protection, power cord (4 ft.), right-angle plug with 45° off-set, impact-resistant casing, metal oxide varistor (MOV) technology, and an EMI/RFI noise filter. The CSP604T comes with a Limited Lifetime Warranty and a Connected Equipment Guarantee.

### TYPICAL APPLICATIONS

- Consumer Electronics
- Personal Computers
- Phone/Fax/Modems

### FEATURES

- 6 Surge Protected Outlets
- 1350 Joules of Surge Protection
- Right Angle, 45° Offset Right
- EMI/RFI Noise Filters
- Lifetime Warranty

## SPECIFICATIONS

### INPUT

|             |                               |
|-------------|-------------------------------|
| Plug Type   | NEMA 5-15P                    |
| Plug Style  | Right Angle, 45° Offset Right |
| Cord Length | 4 ft                          |

### OUTPUT

|                 |            |
|-----------------|------------|
| Outlet Type     | NEMA 5-15R |
| Outlets - Total | 6          |

### SURGE PROTECTION & FILTERING

|                       |                       |
|-----------------------|-----------------------|
| Surge Suppression     | 1,350 joules          |
| Clamping Voltage      | 400 V (L-N, L-G, N-G) |
| Response Time         | < 1 nanosecond        |
| Phone Protection RJ11 | 1-In, 1-Out           |
| EMI/RFI Filtration    | 150 kHz - 100 MHz     |
| Attenuation           | Up to 43 dB           |

### INDICATORS

|            |                                     |
|------------|-------------------------------------|
| Indicators | Protected (green), Grounded (green) |
|------------|-------------------------------------|

### CERTIFICATIONS

|               |                                 |
|---------------|---------------------------------|
| Safety        | UL1363, UL1449 3rd Edition, cUL |
| Environmental | RoHS Compliant                  |

### WARRANTY

|                               |                  |
|-------------------------------|------------------|
| Product Warranty              | Limited Lifetime |
| Connected Equipment Guarantee | Lifetime         |
| CEG Amount                    | \$75,000         |
